17 PERSONS PROBABLE DIED

Scores of Residences and Small Buildings Were Carried Away—Several City Streets Were Inundated and Several Hundred Acres of Land Overflowed—Damage is Estimated at Approximately \$1,000,000—Chairman of Levee Board Declares the Levees Were "Dynamited by Unknown Persons".

Fort Worth, Tex., April 25.—Seventeen, probably dead and property damage estimated at approximately one million dollars in the toll of a flood which swept Fort Worth early today, carrying before it scores of residences and small buildings, overflowing hundreds of acres of land, and inundating several city streets.

The estimate of possibly seventeen dead was made by Major L. G. W. White, in charge of Red Cross activities here, none of the local undertaking establishments has received a body.

The flood was confined chiefly to the lowlands adjoining the tributaries of the Trinity river. Marine Schooner, Clear Forks and the Trinity rivers were swollen, overflowing the bottoms near by.

Coming on the heels of a nine-inch rain, the heaviest in the history of Fort Worth, and a wind and electrical storm, the flood took scores of people by surprise. The lowlands adjoining the Trinity river were the first to suffer, and at one time water was standing level with the roofs of residences.

With the city facing a night of darkness, 500 members of the American Levee board, the police force, which was working full time in the flooded areas, telephone service was crippled, and street cars were suspended in parts of the city. Tracks of the interurban lines were twisted masses of steel for hundreds of yards, the roads being washed away. Parts of the tracks were under ten feet of water this morning.

At the same time there was made public a copy of a memorandum from Mr. W. G. Watts to the department which said that the dismissal had been occasioned by his supplying Representative Johnson, republican, South Dakota, with information on which the latter attacked the department of justice in a speech in the house.

At the same time there was made public a copy of a memorandum from Mr. W. G. Watts to the department which said that the dismissal had been occasioned by his supplying Representative Johnson, republican, South Dakota, with information on which the latter attacked the department of justice in a speech in the house.
